The optimal balance of performance and value in a lightweight design that provides you with the freedom and flexibility to work where you need—when you want.

HP recommends Windows Vista® Business

**Memory**
Boost your notebook performance cost-effectively by reducing bottlenecks caused by memory-intensive applications with certified and warranted HP Memory[1].

**Cases**
Secure your notebook inside your HP Carrying Case for easy portability and notebook protection. HP offers a complete range of Carrying Cases for your HP Business notebook - from value nylon cases to deluxe leather and roller cases.

**Security solutions**
Help prevent your equipment from being stolen and your data from being compromised by locking-down your notebook and or HP docking station with the HP Kensington Security Lock.

**Adapter solutions**
Power your notebook and charge the internal battery simultaneously with Smart AC power adapters from HP. These adapters provide you with the ability to power your notebook when away from the office or on the road.

**Complete portfolio of accessories**
In addition to what we've mentioned, HP offers a complete portfolio of accessories for your HP Compaq 6730s Notebook PC that include hard drive and back-up solutions (extra primary hard disk drives), optical drive solutions (DVD+/-RW LightScribe Drives, DVD, CD-RW, Combo), and wireless modules - all the accessories you need to help create your mobile office.

**Why Buy HP Business Notebook Accessories?**
Our accessories are rigorously tested and work seamlessly with your HP Business Notebook PC, and they are backed by world-class global services and solutions.
